## EDUCATION

University of Iowa

Aug 2022 - Dec 2025

*B.S. Environmental Policy and Planning*

*Iowa City, IA*

- Minors: *Urban Studies and GIS*
- Dean's List: Spring 2023 – Fall 2024

## ACADEMIC WORK

Economic Development

Jan 2025 – May 2025

- Utilized US Census data to implement shift-share analyses and four years of location quotients for industries within Polk, County, IA.
- Presented findings through a policy memo and an informal presentation to a previous City Planner for the city of Cedar Rapids.

Water Resources

Aug 2024 – Dec 2024

- Acted as an urban planning consultant in a team to develop a comprehensive report stating the current feasibility of utilizing Lake Erie as a water source.
- Analyzed historical water development, industry prevalence, and urban planning initiatives to understand current resource use in four cities along Lake Erie.

Advocacy and Sustainability

Jan 2024 – May 2024

- Worked with a local non-profit organization, Grow: Johnson County, to conduct a research project concerning the role of education in local Iowa agriculture to support sustainable agriculture systems.

## WORK EXPERIENCE

National University of Singapore: Institute for the Public Understanding of Risk

Jun 2024 - Aug 2024

*Risk Perception Research Intern*

- Researched and developed a case study on the Sewol Ferry Tragedy of 2014 – addressed its impact on public opinion and maritime policy reform.
- Contributed to a literature review highlighting the public's perception of risk in transportation safety and similar topics across various countries.

Sweet Dude Coffee and Cafe

May 2023 – Jun 2024

*Seasonal Barista*

- Developed interpersonal relationships with customers by recommending products and engaging in conversation.
- Trained new baristas on how to use the espresso machines, POS system, and customer service skills.
- Oversaw phone calls on behalf of management that regarded newspaper articles and customer queries.
